

Happy Holidays & New Year!

## Sharing The Magic Over The Holidays

By Gordon Owens  
I hope you and your family had a wonderful holiday season and the new year is off to a great start. December was certainly a special time of year as our clubs shared the magic of Rotary through projects like the jingle jog fundraiser, holiday ham haul for first responders, shop with a cop, Salvation Army bell ringing, presents from Santa for children in need and teaching our youth the Giving Side of Christmas. It was a pleasure to get to participate in many of these and a personal highlight was getting to play Santa to hand out presents with the Jackson-Butts Club. These are just a few of the ways in which our clubs had a positive impact in their communities during the holidays. I look forward to seeing all the amazing ways in which our clubs continue to share the *Magic of Rotary* throughout 2025, Happy New Year!

2023-2024 Annual Report

## John Hewko Shares Our Annual Report

By André Marria

We are building a healthier, more resilient, and more peaceful world. I invite you to be among the first to read about the difference we're making together in our **2023-24 annual report**. We have reason to celebrate. More than 400 million children were vaccinated against polio in 2023, with the support of Rotary and our polio eradication partners. We also have much to be thankful for and to hope for in the future. Our donors contributed more than US\$417 million in gifts and commitments, and we awarded US\$82 million in total funding to more than 1,200 global grants. The stories about our impact and supporters, alongside the financial information, in this year's report testify to the strength of our partnership. I have confidence in the good the Rotary community will continue to achieve together, locally and globally. [\[more\]](#)

Greetings and  
Happy New Year  
from your District  
Foundation Chair!  
It seems only  
fitting that as it is  
a new year, I  
should send this  
month's message  
to New Rotarians.  
We tend to get so  
caught up in the  
business of Rotary  
that we sometimes  
forget that not  
everyone,  
particularly our  
newer members,  
might not be as  
familiar with all  
the functions as  
they would like.  
So, this month I  
want to focus on  
the History of the  
Foundation  
specifically.  
Therefore, if you  
are a seasoned  
Rotarian, you can  
take this month's  
message off.  
However, before  
you do, I might  
point to this  
month's quote.

**Have you  
taken the  
Plunge?  
Anyone can!**

By Paul Ray  
The Polar Bear Plunge  
2025 is very close, but  
there is still plenty of  
time for YOU to raise  
some serious  
money! This is the  
absolute easiest way to  
raise funds for any  
charity you support.

Does your Rotary Club  
or other organization  
you support need to  
raise money? On  
February 1, 2025  
the Rotary Club of  
Alpharetta will host a  
ready-made fundraiser  
just for you! We are  
Freezin' for a Reason!  
Our 8th annual Polar  
Bear Plunge lets you  
create your own team,  
raise funds, take the  
"plunge", and get a  
check! Last year the  
average team earned  
around \$5000.00! The  
sky is the limit for you,  
so start a team  
today! You do not need  
to come to Alpharetta to  
participate. You can  
plunge in whatever body  
of water near you. Last  
year we had teams in  
Utah and Brazil. The  
sooner you start, the  
more funds you will  
raise.

Start a team today to  
get those end-of-year  
charitable  
donations. [Scan the QR  
code in the flyer](#) and get

## Take Action to Secure Your Rotary Legacy

By Lee Hollingsworth  
Children perform for visitors at the Mollejones Community Center in Costa Rica. In partnership with CATIE (Centro Agronómico Tropical de Investigación y Enseñanza), a group of women living near Turrialba, Costa Rica, launched an ecotourism cooperative to attract visitors and grow their community-based tourism businesses. Members of Rotary clubs in Cartago, Costa Rica, and in Denton, Texas, USA, partnered with CATIE to support the project through a Rotary Foundation global grant. He believed he would get better, but the medical clinic didn't have the resources to help him — **Rotary did.**

They knew clean water could be captured from the spring year-round, if only they had the engineering know-how — **Rotary does.**

She knew she could make a difference for others, if only someone believed in her enough to help with her education — **Rotary will.**

## GRSP Update **Meet João Vilela, Class of 2024-25**

By Katherlyne Fields

João Victor Verçosa Vilela, 21 from Brazil, says that Rotary International's ideals, with an emphasis on service projects, international goodwill and cultural understanding, resonate deeply with his personal and professional objectives. He is attending Mercer University and since his arrival, this future diplomat has embraced his time at Mercer by being invited to take part on a reading group about Benjamin Franklin, being part of the Model Arab League, sharing his country's culture with other students and most recently nominated to a conference in California. ## **Past District Governor Steve Stanfield**

By Bob Hagan

Because of the tremendous influence PDG Steve Stanfield had on District 6900 over the last several decades, it is hard to know where to begin to celebrate the man. Therefore, I believe the best way is to start at the beginning. Born February 19, 1947, Retired Army Lieutenant Colonel Stanfield spent 21 years honorably serving his country and was Honorably Discharged in 1990. PDG Steve joined the Rotary Club of Americus attaining his Blue Badge on August 1, 1993. He had an immediate impact at the District level, as he was instrumental in creating the Sheffield Leadership Award in 1994. The prestigious award is presented annually to District 6900 Club Presidents by size category who best exemplify the extraordinary leadership traits represented by the Sheffield family. [more]

Buckhead Rotary  
Ham Haul

## **Delivering Holiday Meals To First Responders**

By Denise Starling  
Buckhead Rotary brought back the holiday tradition of delivering Honey Baked hams, sides and pies to fire and police stations across Dekalb County this Christmas Eve. A small but mighty team help organize all the meals into a single bag making it easy for volunteers to pick up their assigned deliveries. Club members in partnership with Livable Buckhead and other community organizations made quick work of making the first responders working on Christmas Day merry and bright. We had a total of 48 volunteers who served 51 dinners to approximately 60 police and 185 fire fighters. There were approximately 150 hours of service logged for the event...Good will and better friendships created and it was definitely beneficial to all concerned! The club got awesome media coverage with most major news outlets featuring the story during their broadcast and online. All in, they reached an audience of over 225,000 people with the Magic of Rotary. **Check out this video from 11 Alive News.**

**Neill Ferrill,  
RC Vinings  
Cumberland**

By Thomas House  
In May 2022, beloved Rotarian and past president of Vinings Cumberland Rotary Club, Neill Ferrill, was diagnosed with a glioblastoma brain tumor. For 29 months he showed incredible strength participating in clinical trials, numerous rounds of chemo, radiation, and 7 brain surgeries. He continued to attend his Rotary meetings until almost the very end. His wife, Robin, would drive him to meetings and was his biggest cheerleader. Neill passed away peacefully in her arms in November. Neill will be remembered for his infectious smile and his quick wit. He believed in giving back to others, finding joy and gratitude in your present blessings, setting goals and working hard, making the most of every opportunity, and cherishing time spent with those you love. He will be greatly missed by so many including his Vinings Cumberland Rotary Club family. [more]

## Atlanta Southern Crescent/Clifton-Emory Satellite Collects Winter Coats

By Angeli Abrol Duggal

This fall, charter founder Yamin Farhat, President of the Rotary Satellite Club of Atlanta Southern Crescent/Clifton-Emory (RSCASC/CE) Angeli Abrol Duggal, and Angeli's five year old daughter, Avya Duggal, led the Club's winter service project to collect winter coats and clothes for Atlantans in need. Rtn. Neil Shorthouse from Atlanta West End Rotary, and a member of St. Luke's Episcopal Church, helped RSCASC/CE partner with St. Luke's, and Dunwoody Mayor Lynn Deutsch, a supportive, community-focused leader, helped Avya partner with Director Judi Carlson at Malachi Storehouse, St. Patrick's Episcopal Church, to mobilize the distribution of coats and clothing. Together, the Club was able to donate over 800 articles of clothing and 60 baby and expectant/new mom essentials this fall! [more]
